Snapshot of SASS

- Singapore Association of Shippers and Services (SASS) was incorporated in 1981. We are one the National Association of International Shippers & Services Association (ISSA).
- We have 115 members to date, there are 3 categories of the membership that was classified as Ordinary, Associate and Honorary Members. With SASS membership to guide & assist members in their adoption of technology, training and education.
- SASS has constantly engaged with government agencies & industry stakeholders and actively participate in the Sea Transportation industry transformation map. etc, MPA, Jurong Port, PSA, Enterprise Singapore, A*Star (SIMTech), NTUC (e2i and U SME), WSG and SNEF etc.

SASS Vision and Mission

Vision

To be the global leader in ship supply industry transformation

Mission

Upskilling & professionalizing the ship supplies industry through adoption of technology, training and education

SASS DIGITALISATION JOURNEY

Our Journey Towards Industry 4.0

SASS DIGITALISATION JOURNEY

*Extending
LT (Lighter Terminal)
Mobile
to Port Users*

SASS

Singapore Association of
Shipsuppliers and Services

SASS DIGITALISATION JOURNEY

Objective of LT Mobile

- Provide visibility of timing and location of port users' assets to minimize delays at port
- To capture operational information for more effective planning by both port operators and port users
- Providing convenient access to update booking of port facilities
- Having all documentation for port access on one single mobile platform
- Provide efficient allocation of assets & resources
- Link various government agencies to facilitate online declaration eg customs permits
- Provide real time updates on vessels' ETA for tighter schedule planning
